Quintessential Renovated Village Townhouse

A chic townhouse renovated with attention to quality and style located in the trendy village of Boliqueime. Besides an excellent flow in layout, this home also offers a truly usable roof terrace with panoramic views of the village, countryside and the sea. Perfect home or rental income opportunity

The quality of the materials, old and modern, are stylishly blended including Santa Caterina tiles, warm wood flooring, white washed wood beam ceilings, refurbished solid wood doors, and splashes of coloured pattern tiles with more modern elements like industrial lighting, modern sanitary ware and a fully equipped kitchen with Smeg appliances.

This home is also comfortable all year round with double glazed windows, 2 fireplaces, aircons in t
