RARE OPPORTUNITY: Approved Project, Detached Villa with Sea Views

A rare find these days - This expansive plot perched on the hills of the desirable neighbourhood of Picota has an approved project for a DETACHED villa, cleverly laid out to give every room of this home a stunning sea view. With a grand open plan kitchen dining living room of over 75 m2 plus 3 bedrooms, an office, pool, a 200m2 basement for multi purposes and a roof terrace - this is the dream home.

This fantastic project is spread over one single floor for easy living and especially great for little ones and the elderly. The contemporary design incorporates large floor to ceiling glass making a seamless transition from inside to out where we find the very ample swimming pool and then the fairly flat plot extends beyond. On the grounds there are a variety of mature trees which can easily be incorporated into your landscaped garden or kept more natural in this beautiful and convenient
