More on the Location
Algarve has an exceptional mobility index with Faro International Airport, Portimão Private Airport, 3 airfields and 5 heliports. Due to a wider option of direct flights, travellers often choose Lisbon Aiport and take a 2-hour drive to reach the Algarve. For yacht owners and fishing enthusiasts, there are 4 marinas and 3 ports. For health care, Algarve has 3 public hospitals, many private facilities, and a Centro de Saude in each town. Besides public schools in every city, there are also 6 International schools. And with over 300 days of sunshine and 250 km of coastline varying from
