Gold Dust Prairie Property

A prairie feel plot of 2.7 hectares located a stones throw from Vale do Lobo and Quinta Do Lago. A special opportunity to renovate this south facing warehouse and villa into a unique home in a peaceful but not isolated serene setting, yet only minutes from all you need.

Originally a working farm, the ground floor was built high enough for trucks to enter measuring a grand 3.5m high, whilst the first floor is 2.8m. With impressive ceiling heights like this you have the opportunity to renovate this warehouse villa into something truly unique: be it a trendy industrial style or a rustic chic look.

The villa has a total construction of 452m2 and the owners made some changes to make 2 independent homes, which gives the possibility once renovated to rent out one of the floors. The fir
