Sustainable Stone Country Home - Sea views

This well constructed, recently built villa includes sustainable technology, beautiful sea views and a peaceful Mediterranean countryside atmosphere. It consists of 3 individual accommodations - great for family groups or rental income and it qualifies for a Golden Visa. Tavira is about 10 min away.

Set on 2.3 hectares(of which 1.6h is fenced), this property is perfect for an idyllic peaceful Algarve lifestyle yet only 10 mins from the picturesque busy town of Tavira spread across a river mouth entering the sea. The small village of Santa Catarina is literally a minute away which has all amenities needed.

Every step was taken to ensure this home is extremely well insulated for all seasons and that runni
