Approved Project on Picturesque Plot

A large plot of 5733 m2 in a pretty valley with many old olive trees giving a rural Mediterranean atmosphere to build a charming home on the existing ruin. The approved project is for a villa of 260m2 plus terraces and a 12m pool. Only 5 mins to the large town of Loule or Mar Shopping.

The project is currently for a 3 bedroom villa, an open plan living and kitchen of over 70m2, a very spacious laundry, and an office. The layout is well planned, but some internal changes could be possible should if you want a 4th bedroom, but you can start building your dream home immediately. The plot is located in RAN so this will suit someone wanting to live here or have a holiday escape for a decade or more.

The property´s main entrance gate is reached just off a tar road along a short smooth 150m dirt tra
